

Towards Establishment of Sustainable Humanosphere

9²nd R I S H S y m p o s i u m

February 23, 2008
RISH Satelite Office
in RDUB, Cibinong, Indonesia

February 23, 2008 (Saturday)

- 08.30 Registration
- 09.00 Opening Ceremony by Prof. Kawai and Prof. Endang sukara
- 09.15 Prof. Shuichi Kawai (RISH), Humanospehere Science – An Overview
- 09.45 Coffee Break
- 10.15 Dr. Naoki Shinohara (RISH), Roadmap of Microwave Power Transmission from Ground to Space
- 10.45 Prof. Kosuke Mizuno (CSEAS), Area Study and Humanosphere
- 11.15 Prof. Kozo Matsubayashi (CSEAS), Local Neurological Diseases in Tropical Forest in New Guinea
- 11.45 Dr. Kyoko Nakamura (ASAFAS), How do “Maasai Warriors” encounter Curiosity-seeking Tourists? One aspect of globalization experienced in the Samburu society, Kenya
- 12.05 Lunch
- 13.00 Dr. Herwasono Soedjito (RC Biology – LIPI), Indonesian Biosphere Reserves to Linkage Biological and Cultural Diversity.
- 13.30 Prof. Toshiaki Umezawa (RISH), Tropical Tree Biotechnology
- 14.00 Ms. Suyako Mizuno (RISH), Humane Studies of Wooden Persona
- 14.20 Mr. Kazunari Koishi (RISH), Atmospheric Phenomena near the Tropical Tropopause
- 14.40 Coffee Break
- 15.00 Dr. Ragil Widyorini (RISH), Evaluation of Tree Growth and Biomass Production of Plantation Forest in Tropical Area
- 15.20 Dr. Eddy Hermawan (LAPAN), Observational Study of Atmospheric Dynamic over Indonesia based on Some Remote Sensing Data Analysis
- 15:50 Closing Ceremony

Co-organized by RISH, CSEAS and RDUB-LIPI,
and supported by Kyoto University and G-COE Program -
In Search for Sustainable Humanosphere in Asia and Africa
